

TEAM MEDICAL AUSTRALIA

Truly standing out from the crowd thanks to

Prolific Corporation Australia

Following the recent announcement of the signing of a multi-year, multi-event contract with V8 Supercar Events, TMA are extremely proud to confirm another long-term partnership with Prolific Corporation Australia.

TMA will be unveiling our new emergency lighting packages on our Holden Medical Intervention Vehicles at the next round of the 2011 V8 Supercars Championship - the Coates Hire Ipswich 300 (19th - 21st August).

TMA would like to thank Mr. Eugene Yap - Prolific Corporation Australia's Chief Executive Officer - for supplying us with the new emergency lighting packages for our entire fleet of vehicles.

Mr. Yap said, "Prolific Corporation Australia is very pleased to be the emergency vehicle lighting sponsor for TMA - who are widely acknowledged as the leading motorsport medical provider in the country. Prolific Corporation Australia are thrilled to be able to play our part. The emergency lighting packages that we have supplied as part of our partnership are the most advanced systems available in the market, incorporating the latest LED technology can offer".

Mr Yap went on to say, "No other motorsport medical team in the country has emergency lighting systems that even come close to the 'State-of-the-art' systems fitted on the TMA vehicles".

Mr. Peter Castledine – TMA's Committee Treasurer - said, "TMA sincerely thank Prolific Corporation Australia and we can highly recommend that anyone looking for any type of emergency lighting or warning system requirements - to contact Prolific Corporation Australia for the latest products with the best prices".
